VACATION JOINING INSTRUCTIONS

Welcome to Hawaii! In the traditional Aloha Spirit, Trafalgar welcomes you with a flower lei. On arrival, please look for our Trafalgar greeter. Collect your luggage, and be transferred to your hotel in the heart of Waikiki. Standard check-in time is 3:00pm. If you arrive before then, your room may not be immediately available, although the hotel will provide secure storage for your luggage.

Please note: Lei greeting and transfers can only be provided if we have accurate flight information. If your flights are not booked through Trafalgar, please ensure you (or your travel agent) have advised Trafalgar of your flight details. If your flight details change while en route, please contact our Honolulu office as soon as possible to reschedule your arrival service. Guests who arrive prior to the trip start date do not qualify for lei greeting and complimentary transfers. In these cases, transfers may be purchased prior to traveling (only available if booking pre-night accommodations through Trafalgar).

MEETING YOUR TRAVEL DIRECTOR

Your Travel Director will be available at our Welcome Desk on Day 1 from 3:00pm to 5:00pm and will also host a Welcome Reception and Dinner from 6:00pm to 7:30pm that evening and will advise you of the location and other details. Guests arriving at the hotel between 6:00pm and 7:30pm who wish to join the Welcome Reception may inquire at the front desk. Should you arrive after the reception and dinner, your Travel Director will be in touch with you.

GRATUITIES

Gratuities for your Travel Director and Coach Driver are not included. Tipping these service providers is customary on all Trafalgar itineraries. If you feel that they have provided excellent service, we recommend a per day / per guest discretionary gratuity of \$6-\$7 USD/CAD for your Travel Director and \$4-\$5 USD/CAD for your Coach Driver.

Please Note: An option of pre-paying gratuities is available. Guests who have paid pre-paid gratuities with their booking will have a pre-paid gratuities voucher included in their travel documents and should submit that voucher to the Travel Director.

LUGGAGE ALLOWANCE

Baggage handling of one suitcase per person, at each hotel, is included in the trip price. Due to limited coach capacity, a single bag should have dimensions not exceeding 30"x18"x10" (76x46x25cm) and 62 linear inches (157cm) and weight not exceeding 50 lbs (23kg). Please note that some airlines restrict checked luggage allowance - check with your airline.

Carry-on/hand luggage is restricted to one piece per person, not exceeding 12"x11"x6" (30x28x14cm) in order to fit under your coach seat or in the small overhead compartment. Carry-on/hand luggage handling is the responsibility of each guest and must be taken on and off the motorcoach by you each day of the trip. Please note that carry-ons with telescopic handles and wheels will not fit in the overhead compartments or under seats and, therefore, cannot be accepted as carry-on luggage for safety reasons.

A charge of \$6 USD per traveling day will be collected by the Travel Director if a second piece of baggage is carried, or if the suitcase exceeds the established weight and/or dimensions. Please note that we cannot guarantee that more than one suitcase will be allowed onboard the coach. In these cases, the Travel Director will help make arrangements where your luggage can be stored or shipped as needed.

HEALTH INFORMATION

Guests are encouraged to check with consulates, local health boards, and their personal health provider for the latest health requirements and recommendations for immunizations and vaccinations prior to travel. Travelers are encouraged to consult with their personal medical provider before undertaking high altitude travel.

PASSPORT NOTICE / DOCUMENTS

It is the sole responsibility of each guest to ensure they have a valid machine-readable passport as well as any necessary visas. Some itineraries may require multiple-entry visas. Please be sure to check with your local consulate before you travel to confirm the specific and possible changes to passport and visa requirements for the country or countries you intend to visit. Fees apply and are not included in your Trafalgar trip. Further details are sent in this documentation. Guests traveling across any USA and/or Canadian border must be in possession of a valid machine-readable passport which must be valid at least 6 months beyond the conclusion of the trip.

IMPORTANT: Guests traveling from selected countries under the Visa Waiver Program (VWP) are required to complete an Electronic System for Travel Authorization (ESTA) application to confirm eligibility to travel to Canada and/or the USA under the VWP. For more information, please contact your Travel Agent or applicable government authorities to obtain necessary travel information. **In most cases these visas must be purchased in advance of your trip or you will not be allowed to enter the country.**

You can find out more about necessary visas to USA by visiting: <https://esta.cbp.dhs.gov/esta/>

You can find out more about necessary visas to Canada by visiting: <http://www.cic.gc.ca/english/visit/eta.asp>

INTER-ISLAND FLIGHT BAGGAGE HANDLING FEE

Inter-island airlines charge fees for checked baggage. This additional cost is not covered in the trip price and is the responsibility of each guest. Your Travel Director will collect these fees from you. Cash or credit cards accepted. Approximate cost is \$25 USD per first checked bag per flight and \$35 for second checked bag per flight. As of January 1, 2016, the total estimated charge for each guest traveling with one suitcase is \$75 USD. Fees are subject to change per airline policy.

INTER-ISLAND FLIGHTS

Please be advised that due to the Transportation Security Administration's (TSA) Secure Flight rules, airlines must collect required information from passengers. Passengers traveling on inter-island flights must provide their Full Name (as it appears on the government-issued identification [ID] the passenger plans to use when traveling); Date of birth; Gender; Redress Number (US only); and Known Traveler Number (US only). For more information regarding TSA's Secure Flight rules, please visit www.tsa.gov. Incomplete or inaccurate information may result in additional charges payable direct to the airline, delays at security checkpoints or in worst-case scenario, denied boarding.

VACATION CONCLUSION

Your trip ends with a transfer from the hotel to the airport for guests departing on the designated departure day as indicated in the itinerary. Guests with late departing flights should note that the standard checkout time is 11:00 am.

GUEST SURVEYS

Toward the end of your trip, your Travel Director will ask you to complete a brief survey. This survey is critical as it helps us to identify how well we performed, continuing to improve our guests experiences and how to fulfill your future travel needs.

ON-COACH WI-FI

The on-coach Wi-Fi uses the 3G mobile phone network which means connection will be slower than standard broadband and at times may not be available. It's perfect for sending emails and keeping in touch, but not strong enough for streaming video or large photo uploads. Free Wi-Fi is also available in many of the hotels we stay in.
